Congratulations “C Districts”

On Saturday 4th February, the Governor of South Australia His Excellency The Honourable Hieu Van Le AC, launched the Lions Mobile Skin Cancer Screening Unit that will serve South Australia, the Northern Territory and townships on the boarder through the centre of Australia.

In his address, the Governor acknowledged the support of LCIF as well as the **Australian Lions Foundation** in making this project possible.

Chairman of the Foundation PDG Glenn Herbert and Promotions Chairman ID Tony Benbow were at the launch in Adelaide to see firsthand this great result.
