

Seeking host families

Are you looking for a club project involving youth?

Why not offer to host one of the young exchangees travelling to Australia in July-August with the Lions Youth Camp and Exchange Program. Contact your District Youth Exchange Chairperson for host application forms and information (contact details on last page). More applications from international youth are expected in coming months. Keep an eye out for our next flyer in next month.

(List of youth current as at 12 February 2015)
