President January Report

I hope everyone had a very happy and joyous Christmas season and will have a very prosperous New Year.

I am sure that this year the car parking will be a HUGE success. I have seen how many cars we can get in to that park and if it stays this way if we were to do it for 19 days and we average 400 cars a day x \$10.00 that is \$76,000.00, I know we do more than that per day but in any ones language that's good money we can use in the community. Well done to all.

I hope everyone is ready for the next six months it should be exciting, The RSL carols were amazing and I am led to believe that the COR ones were just as good.

I know that we now have the Rodeo this weekend and that is usually a good day as well so please give David and Gary a hand with the roster.

My wish is that all of our un-well members and family members are feeling better.

I hope that all those travelling are in good care, Donna is travelling around India and I think I remember that Peter and Jenny are heading that way as well.

If you have elderly neighbours during these hot days please just drop in to make sure they are ok.

The first meeting will be one of fun as will the "sunset cruise", it should be great as it was last year.

That is all for now

Chris

President Report:

This month has flown by with very little bumps or not ones that cannot be handled.

I would like to welcome to the board Lion David Watts as my new 2nd VP.

David brings to the table enormous experience and Lions Knowledge.

I am sure he will keep me on my toes.

It looks like the car parking over Christmas is now set in concrete all that is needed is to get people to fill the roster. Thank you to Lions Peter Hallman and Gus Hatter for all the work they have done.

The Local legends is progressing well and I particularly like the idea of having it before the Australian Citizenship ceremony, hopefully people will arrive early to acknowledge those who do the good stuff in the community. Good work on this Lion Peter .

The hard work by Lion Ian on the den extension has been vindicate with the building completed, well done and thankyou Ian.

In regards to our list of members who are not well at the moment,

I have spoken to Lion Lola and she is doing better after her nasty infection. It also looks like Keith will be going home within the next couple of weeks.

Please keep Lion Vilma in your thoughts as she goes through this important procedure I am sure she will be much better after this is finished.

Lion Barry is recovering well and his new hip is performing as it should,

Lion Peter Smith is doing much better much to the bemusement to his fellow golfers; he is still a gun on the course.

Lion Richard is progressing well with his new treatment.

I myself will be out of action from the 11th December for a couple of days while I have a medical procedure done, The doctor is on strict instructions to not take phone calls during it.

Please keep all these valuable members and friends in your thoughts.

The Christmas raffle roster is as always one of the hardest ones to set but it seems that it just works in the end thanks to the tireless work by Lions Louise and Billy.

The work put in by certain members to keep the BBQ's at Bunnings operating smoothly is amazing and I thank you for it, we have one more in December and have been offered one in February, we must be doing something right, maybe they just like to get the equipment back cleaner than it goes out. I have noted on my many trips to Bunnings other organisations not completely adhering to standards, no gloves , open arm singlets while cooking , no hats, I am so proud when we do it as our standards are right at the top. Well done to all involved.

At the BBQ on the 1st December I would like someone to get there early to hold the shelter; I am thinking the best one is the first shelter AFTER the sound shell coming from Tewantin or the one before the shell coming from Noosa. We can't pre book the bbq as we will be under 50 people and we don't really want to pay a fee to use "our" shelter.

Did anyone else see how well Clinton Stanley did in Italy, he cleaned up and so did the rest of the team . Secretary Jay is writing to Sue Stanley to offer our congratulations

I hope to see everyone at the Christmas party and the bbq

Chris Pullin (President)

Lions Park Outreach Carols Night.

Good morning to all on the day before Santa arrives.

We held the Outreach Carols last night and it was a great success. The music though a little loud was very good and Christmassy and the fireworks went on for ages.

I would like to thank the members who volunteered on the roster and turned up to assist. I would also like to thank **Peter and Kathy Jack and Peter Hallman** who had family things on during the day but put their hand up to assist when it looked as though we were short of volunteers. Also a thank you to **Tim Staatz** (son of Jeff who also turned up to assist). **Trevor Luff, Myself, Geoff Staatz, Tim Staatz** and a Bundaberg Lion **Rod Layt** set the vans up in the morning.

The drinks tent grossed \$858.80 and was ably manned by **Helen Hatter and Tim Staatz** with assistance during the night. **Jacqui Nichols** also pitched in and helped. We very nearly sold out of drinks.

The BBQ van grossed \$2370.25 with **Peter Smith, Peter Hallman and Jeff Staatz** cooking up a storm. They were ably assisted by **Jay Roach, Gary Dun, Paul Beeston, May Duncan, Carman Hackshaw, Rosemary Luyendyk** (when she wasn't clicking the camera), **Alison Watts, Cathy Jack and Peter Jack**.

The chip van grossed \$1295.80 and was ably manned by the 5 amigos...**Ian Mackay, Myself, Gus Hatter, Mike Roach and John Nichols** working pretty well the full term from 4.30pm to *8.00pm when we had had enough. Completely sold out!!

Donna Sewell hope you are feeling better and we did get your apology.

If net percentage of gross sales works out at 56% as did the RSL we will net in the vicinity of \$2500 which will be a very good night indeed.

Once again thanks to all who turned up and a Merry Christmas to all Club members and their families..

David Watts JP (C.Dec)

Chairperson, Lions Clubs International Foundation

January Report,

Dear Lion,

Every year at this time, I send my personal greetings to you, the members of my Lions family. This year is no different, except I want to take the extra time to reflect on what we have accomplished together through our Foundation. Thanks to your donations and your service, we have met needs all over the world and made a great impact in many people's lives.

Together, we met the Bill & Melinda Gates Foundation's challenge grant to raise US\$10 million for measles. Through this major accomplishment, we helped vaccinate 157 million children against measles in 2012.

Lions also provided disaster relief worldwide following typhoons, flooding, tornadoes, wildfires and other disasters this year. One recent example is Superstorm Sandy in the United States. Many Lions gave generously, and even Lions who were affected by the storm were out serving their communities the next day.

In addition to disaster relief, Lions and LCIF have been continuing to fight preventable blindness. When I was in Thailand for the 10 year celebration of Sight for Kids with Johnson & Johnson Vision Care, I was able to see the impact that a simple vision screening can have in a child's life. It is easy to see why organizations like Johnson & Johnson Vision Care, Bausch + Lomb, The Carter Centre and more partner with us in our efforts to save sight.

Our Foundation has also supported youth in many ways during this year. The Lions Quest program is continually growing to help provide children with positive life skills. The U.S. State Department is helping the program expand in Africa, while the United Nations Office on Drugs and Crime is working with Lions Quest curriculum in Central Asia and South-eastern Europe.

http://r20.rs6.net/tn.jsp?e=001aGIUcsv92HFsxJuS9TyBQZnCm-KoAzGnj5-GYhCLjPF4bu0KvjrpPS4Xlq8D046KukOKjBarS-EzU6y-zb_Kn8mxwJlJFKxjHCT8VDZU7XmWkFptEjvq7aPFJQwJTWHzif0B56gUQojxzs8lbHQMCnQ==

I am amazed at all the different kinds of service that we are able to provide together. Though I have been Chairperson of our Foundation for just six months, it is easy to see all the good that we have accomplished this past year, and every year since the Foundation was created. All of our accomplishments are because of your generous donations. I invite you to see the impact your donations have made by viewing this video.

As this year ends, I look forward to a new year full of service and caring. Though we always pray for no disaster and diseases in this world, they still happen. Please continue your support to LCIF so that we can strive for a better world to live in with no disaster and diseases in the coming future.

Sincerely,

Wing-Kun Tam; (Chairperson, Lions Clubs International Foundation)
