President Report

Since the last board meeting the club has been busy as usual, not quite in a frenetic pace but busy all the same. The visit to Cooroy Pomona for their 40^{th/41st} was a great turn out and many Tewanin Noosa Members attended. The night celebrated the official opening of their Den also. What a great asset they have now.

1ST VP Peter has been working away on the joint Lions Rotary project and I am sure he will have details for us tonight. The project is planned for the first week in June.

2nd V.P. David was away in May with District Lions duties. The Wesley Care BBQ at Bunnings was a great success for them and we were only too happy to provide bodies for it.

Peter, Paul and I helped at the Sunshine Coast Youth Partnership Junction Jam event on the 18th. Another avenue to get our name out there.

As you all know there has been a call from LCI for funds to Oklahoma after the horrific tornado's that went through. Apparently the 46 Year old Lions Club of MOORE has been wiped out. I hope that we can make some little effort to help.

The working bee at the shed has made a huge difference to the grounds around the den and it is looking ok now.

The joint shadow board meeting was a success and it was an eye opener for some and I am sure an eye closer for others.

News

Furniture Removal– Sheraton to Bunnings

Recently the Rotary Club of Noosa Heads requested some assistance, They have a large amount of furniture donated for transfer from the Sheraton to the Bunnings yard and eventually on to Bundaberg to be donated to those in need after the flood. A roster was struck and Lions from Tewanin Noosa, Peregian, and Coory Pomona have all volunteered time towards this great Community Project– Working with other service clubs could be the way of the future—we all are serving the one goal, and creating a sense in the community.

Lions Members happenings

Allan Jolly is home and once again helping with all sorts of things to make the club a better environment, you cant keep a good man down.

Successful Bunnings Sausage Sizzle

Another Successful Bunnings sausage sizzle was held on Saturday 11 May. The weather turned cold and rainy in the afternoon but the smell of onions and sausages kept our volunteers busy.

Peter Jack, Jeff Staatz, Colin Crisp and David Watts were there early to set up and were ably assisted by **Peter Schofield, Paul Beeston** and **President Chris Pullin** who were on their way to an incoming officers seminar in Coolum. **Gary Dun** turned up early with the cold room and equipment.

The second shift turned up on time with **Peter and Dagmar Orlicek, May Duncan and Mike Roach** cooking up a storm for the Bunnings mid morning customers.

They in turn were relieved by **Stephen and Adele Priest and Trevor and Meryl Coad** who experienced some rain and the drop in temperature. Strange that everyone wanted to do the cooking to keep warm.

The last shift was ably manned by **Gary Dun, Art Taylor, Jude Holzer and Janet McInerney**. To move the cooked sausages at the end the price was dropped to \$1.00 with Jude doing a great "gig" in attracting customers to take up the offer. **David Watts** turned up and the team managed to get all things packed and stowed away.

While the sausage sizzle was going on we sold tickets in a Mothers Day raffle with the prizes donated. **Rosemary Luyendyk, Jay Roach and Lesley Slater** assisted here and sold \$350 worth of tickets.

All in all the day netted around \$1200 which was donated to Lions Childrens Cancer Research as part of the Australia wide Lions Biggest BBQ promotion.

A big thank you to the members who assisted.

Dinner Meeting 23 May 2013

Meeting was held in the Cooroy Pomona Lions Club to help them celebrate their 40th Anniversary

Meeting outlines were met and enjoyable comments from President Ken and MC Barry followed,. Distinguished guests District Governor Pat Bauer, and husband Wil, Bob Abbott, Tony Wellington, and Lew Brennan were in attendance. Bob Abbott opened the Cooroy Pomona Building (Den) and a great feast was enjoyed by all.

MEMBERSHIP REPORT May 2013

Overview.

Our focused Membership drive has now concluded, being a considered success, but the Club should encourage all members to continually search for active people who can contribute to Lions. Members are asked to seek out people 10 years younger to join. We should all talk about our Clubs activities in the Community to others, to maintain our profile which will come to notice. The Key.

It is obvious that the six new members are now fully active in the Club, participating in many activities and attending meetings. Success has come from having prospective members attend a dinner meeting and before joining coming along to the next Club Project, to meet others and see just what we do and engagement in the community. Also the provision of background information on the Club, and on Lions, with reference to various web sites plays a major role in understanding of Lions. This is the key.

Cinema Seats for Seniors

An old man lay reclined across three seats in the movie theatre. When the usher came by and noticed this, he whispered to the old man, "I'm sorry sir, but you're only allowed one seat."

The old man mumbled something but didn't budge. The usher became more impatient.

"Sir, if you don't get up, I'm going to have to call the manager."

This time, the old man just groaned. The usher marched briskly back up the aisle. In a moment, he returned with the manager. Together, the two of them tried a number of times to move the dishevelled old man, but with no success. Finally, they summoned the police.

The Police officer surveyed the situation briefly and asked, "All right then, sir, what's your name?"

"Fred," the old man moaned.

"Thank you, Fred. Now, where are you from?" asked the policeman.

With terrible pain in his voice, and without moving a muscle, Fred moaned, "The balcony!"

Furniture Removal

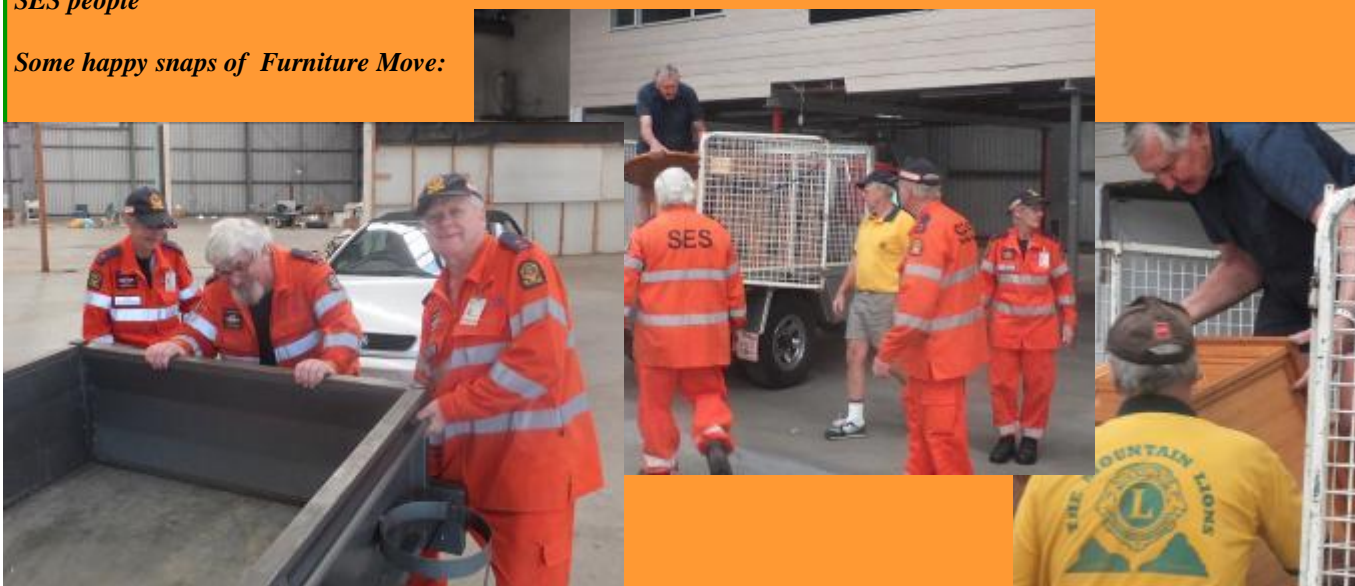

Rotary Club of Noosa and Lions Clubs of Tewantin Noosa, SES and Cooroy Pomona joined forces this week to commence the furniture removal project from the Sheraton Hotel to the old Bunnings Yard storage area. The ultimate aim is to get the furniture (170 rooms of it) from Sheraton to Bunnings to Bundaberg for the needy flood victims in that area. A great project and one that the Lions and Rotary are happy to see as a combined community project—service clubs working together to provide care and comfort for the victims of this years floods. A first lift of furniture to Bundaberg has already gone, and the second and third lifts will happen this week and next . We are still calling for our club members to assist in driving/ towing the furniture using Steve Cooke's mighty trailer to Bunnings or being logisitics managers at Bunnings where you point and shout the location of drops and make the odd cup of tea.

Peregian Lions will be involved on Thursday to load the large trucks with much assistance from the Rotary people and some mechanical things to make life easy.

Trevor and Chris were on board on Saturday , myself, Chris today and Paul Beeston, Stephen Priest,David Watts and Ian McKay tomorrow Wednesday 5 June'

If you are keen to volunteer contact Peter Schofield– 54741297 or p.scho@live.com.au– we need more volunteers on Friday at Bunnings– if you have an hour to spare , call in and help, wearing some shoes and not lifting too much– leave that too the SES people

WHAT GOES ON AT CABINET MEETINGS- David Watts reports from Gympie

District Cabinet Meeting Held in Gympie 25/26 May 2013

The last Cabinet meeting for the year was held in Gympie. The new Cabinet for 2013/14 was sworn in and looks like this.

District Governor: Delwyn Hallett (Peregrin Club)

Past District Governor: Pat Bauer (Gympie South Club)

Cabinet Secretary: Jan Barsby (Proston Club)

Cabinet Treasurer: Peter Anderson (Eidsvold Club)

1st Vice District Governor: David Trigg (Bundaberg Hinkler Club)

2nd Vice District Governor: Les Crossman (Emerald Club)

Global Membership Team Co-ordinator: David Watts (Tewantin Noosa Club)

Global Leadership Team Co-ordinator: Rod Somerville (Maroochy North Shore Club)

Zone 1 Chair: Dawn Hebblewhite (Palmwoods Woombye Club)

Zone 2 Chair : Connie Gilchrist (Maroochy North Shore Club)

Other members can be found in the Directory once it issues.

Zone Chairman Barry Hannam from the Caves Club spoke about the hardship being experienced by people on the land around Winton, Muttaborra up to Cloncurry and to Richmond. Due to the severe drought conditions graziers have begun to destroy cattle as they are too weak to move and families on the land and in the associated towns are struggling money wise to feed themselves. Cabinet has passed a motion to provide \$10,000 in the way of \$250 food vouchers to be used in the associated town food providers. The people who will be given the vouchers will be sourced by local churches, schools and charities.

Cabinet has sent \$2000 to the Oklahoma tornado appeal. Lions Clubs International (LCI) are already on the ground in Oklahoma and updates can be found on the LCI web site.

It was suggested to cut down on costs and not to have date clashes and also to allow for clubs to get together that Clubs combine their changeover with each Club taking a turn to host. This is being done with success in Zones 11 & 12.

A Club weekend has been scheduled for November 16/17 probably in Bundaberg and will be open to all Clubs in the District. Proposed format is Friday night fellowship, guest speakers and relevant information forums on the Saturday, a mock dinner meeting on the Saturday night, a breakfast windup on the Sunday departing for home around midday.

Cabinet meetings will be held in Murgon on 10/11 August, the second meeting on the Fraser Coast 23/24 November, the third meeting to be advised and the fourth and last meeting hosted by the Peregrin Club on 24/25 May.

The ANZI Pacific Forum is to be held in Bali on September 6-9 and registrations are still open. The next Insearch Camp is to be held in Bundaberg on June 8/9.

There is an Emerging Lions Institute in Wellington NZ in September and Clubs are encouraged to send members. (see Louise and she will tell you how great they are).

A Public relations officer has been set up for the District. He is Peter Whaler of the Mooloolaba Club. TV ads. A set of ads about Lions was shown and are very good. I understand that these are starting to appear on TV. Perhaps we will get some membership enquiry from this.

Coolum Beach Lioness Australia's Biggest Morning Tea

A very successful morning was held on Tuesday 21 May at the Coolum Lions Den. There would have been 60 odd people in attendance and our Club was represented by **May Duncan, Jay Roach, Sue Day and her mother Faye and David Watts** (go anywhere when there is good food on).

As is usual with the Coolum Lioness the spread was delicious and of the highest quality. There was a trivia competition along with various raffles. Sue was back to her lucky self in winning the major raffle. The Lioness Club are to be congratulated for putting on a successful morning and raising funds for cancer.
